POSTGAME LOCKER ROOM QUOTES

MIKE BORYLA: ^{"The whole"} ~~entire~~ thing was very unexpected...being here and all. I didn't get ~~called until Monday~~ called until Monday. About the third period, I didn't know if I was going to play or not...that was unclear. I still stayed in the game. I was watching but wasn't sure how much I would play. It was a make or break situation and I like situations like that. In fact, I like everybody here. There was no tension and everybody was relaxed. I hope I can bring some of that feeling back to Philadelphia."

About the TDs: "Each quarterback inserted a play. The ~~Denver~~ Hart ~~team~~ Special scored a touchdown, and the Boryla Special scored a touchdown."

Asked when he knew he was going to play: "When Coach Ken Meyer told me to start throwing and warm up."

CHUCK FOREMAN: About his 26-yard run to set up winning TD: "It was an option screen, and I came open and we hit. I felt like I ran about a hundred yards on the play."

WINNING COACH CHUCK KNOX: "This is really a great experience. This shows what this Pro Bowl game really is. Players on both sides went all out. No one quit on either side, and I'm just proud of the way the NFC came back. You know this makes two years in a row (winning) for us. We're just pleased that the Rams coaching staff could contribute. Because it kinda gets 1976 off to a good start."

"Boryla did a super job. He's going to be a fine quarterback. Our approach this week to come down here and have so e fun and still win the game. The reall fun is winning. We've had a great time in New Orleans. The people down here have been super, and the only trouble is that I've gained about ~~20~~-10 ~~pounds~~ pounds."

MERLIN OLSEN: "You ~~remember~~ remember little bits and peices about all of the Pro Bowls (Olsen has played in 14), but I think I may remember this one a little more than the rest of them. It was reallly exciting out there."

.....

COACH JOHN MADDEN OD THE AFC: "Even t ough we got up on top, They did a heckuva job coming back. There was more offense in this game than ever before. The game had everything, and I think it was a great show. I was surprised both team s did as well as they did."

"There were many exciting plays; it was that type of game. Even the special teams were exciting considering very few of these players (special teams) plays on those teams during the regular season. There were good tackles and some real good blocks on those returns."

AFC PLAYERS

BILLY (WHITE SHOES) JOHNSON, The ~~man~~ Player of the Game: "I'm really elated to be named Player of the Game. You've got to give a lot of credit to the players who were on the special teams. They gave ~~me~~ me an extra effort in their blocking. I knew we had to play hard and not make any mistakes.

"The AFC seemed to predominate, but the tide swung to the NFC."

PUNTER RAY GUY: "I tried to hit the screen. The ball hit the middle, it was still climbing at the time it hit. It hadn't reached it's peak. I knew if (after practice yesterday) that if they let the screens down I could hit them." (Guy said he hit the screens several times in practice.)

KEN BURROUGH: "The touchdown pass from (Dan) Pastorini was a post pattern. Cliff Branch ran an out, and made it easy ~~me~~ for me to ~~run~~ outrun the corner. Pastorini put it out there perfect. Kenny Anderson also throws a beautiful pass. I've had a chance to work with the best and I hope I can be back again next year."

LINBACKER JACK LAMBERT: "We played a straight 4-3 defense, and that's the toughest for a middle linebacker. You've got two gaps to cover which is the reason not many NFL teams use the straight 4-3. I respect (Tom) Banks (NFC center) quite a bit. That's the first time I've played against him, and he's one of the quickest I've seen. There's not the emotion in this game that there is in the Super Bowl, but there is a great deal of pride at stake. It was a great thrill for me because it was my first Pro Bowl."
